We Know Your Needs

Over these many years we have proved we know the needs of the average Torrance household. We started small when Torrance was itself small. Today our many well-stocked departments offer everything in clothing for the entire family.

Nationally known merchandise, coupled with our policy of fair dealing throughout these 35 years, have made us many customers who are our friends.

We know most of the people of Torrance. But, in such a fast-growing community, it is probable there are some who haven't made our acquaintance. To these Torrance newcomers we say, "Welcome!"

Come in today and tomorrow and every day thereafter. You will find us courteous and pleased to meet you.
